

EF7200E

6 kVA AVR Generator

Introducing the powerful and portable EF7200E Petrol Powered Generator, packed with features for maximum output and minimum effort. Its Automatic Voltage Regulator (AVR) protects your appliances from power surges, making it ideal for worksites or home backup power.

Its sturdy build and high-quality materials ensure durability and reliability for all your power needs. Get the EF7200E today for reliable and hassle-free power.

SPECIFICATIONS

Model	EF7200E
Maximum Output	6000 Watts
Rated Output	5500 Watts
Operating Hours (1/4 Load)	14.7 hr (Eco On)
Fuel Tank Capacity	28 L
Dry Weight	93 kg
Size (LxWxH)	670x535x565 mm
Noise Level (1/4 Load / 7m)	71 dBA
Starting System	Recoil
Fuel Gauge Monitor	Yes
Independent Fuel Tap	Yes

FEATURES AT A GLANCE

- **Digital Display** for both voltage and cumulative running hours.
- **Rugged Rollover Frame** to protect the generator.
- **OHV Engine With Cast Iron Cylinder Liner** for longer life, powerful performance and excellent heat dissipation.
- **Economy Idle** varies engine speed based on load to improve fuel economy.
- **Automatic Voltage Regulator (AVR)** to ensure a constant voltage level and protect your appliances.
- **Petrol Petcock** helps prevent carburettor contamination during storage.
- **Oil Warning System** prevents engine damage.
- **Fuel Gauge** displays fuel levels without having to open the fuel cap.
- **Auto-Decompression System** reduces compression for effortless starting.
- **Non-fused Overload Breaker** prevents generator damage in case of overload.
- **Controls Located On One Panel** for easy access.
- **Spark Arrestor** to prevent errant sparks.
- **Electric Start** for easy start.
- **Optional Wheel Kit** including robust wheels, wheelbarrow handles and a lifting bar.
- **Optional Two-Wire Remote Start Kit** to allow for remote start.
